SOVIET AGENTS WHO PENETRATED THE "GERMAN"

Comment (AB-102): In reference report GULL stated that he possessed a list of alleged Soviet agents who penetrated and worked for the GESTAPO during the war. Their aim was the elimination by compromise and provocation of all White Russian emigrant groups "fighting against Bolshevism". Source states that upon the collapse of the VLASSOV army he destroyed the complete list but the below listed names are some that he remembers. The accuracy of this information can not be judged at this time.

1.-The following is a list of persons who have penetrated the German GESTAPO during the war as Soviet agents:

Handwritten: "Handwritten stuff is not for insertion"
a. MAIKOVSKII, Former persecuting attorney in the city of Kiev. Presented evidence at the GESTAPO, Alexanderplatz prison, against the arrested BYSHAP members for "cooperating with the allies".
